### CLUSTER CONFERENCE A SUCCESS

#### "FINDING THE RICHNESS" CONFERENCE

The Finding the Richness Conference was a total success with a wonderful informative look at Rich tasks and the New Basics through Hanan Harrison's presentation. All the schools thoroughly enjoyed listening to Hanan and found her presentation thought provoking, challenging, motivating and well worthwhile. We look forward to working with her in 2009!

#### CLUSTER TEA MEETING

The last Tea meeting for the year will be held on Thursday 20th November at Winchester School in the New Library starting at 4.30 pm. The meeting will be a review of the conference, looking at the Matrix observations summary and lastly "What is Rich Learning?"

#### WYKEHAMIST COLLABORATION WIKI

The Wykehamist Collaboration Wiki has had some new additions to it. Firstly, Hanan's resources have been added as well as some thought provoking videos from various educators from around the world. If you wish something to be added then please contact A.J so these can be added
